## Registration procedures are as follows:

- Registration is in the AHS Coliseum from 8:00 am and 10:00 am.
- **All students must register by 10:00 am and REMAIN ON CAMPUS.**

- **All MS AND HS students (with the exception of percussion) will need to show their exercise book at the registration table. No copies from this book will be allowed in the auditions.**
- **BE CAREFUL WITH YOUR AUDITION CARDS!!!!** Do not fold or write on the card. Any damage to the card may prohibit the scanner from reading it properly or reading it at all.
- **WARM-UP:** a warm-up room (cafeteria) will be provided. Do not play in the hallways at any time.

## Audition Information

- Arrive at your audition room before your scheduled audition time.
- Upon arrival, a runner will escort you into the audition room. Realize that you may be ushered directly into the audition room or you may have to wait a few minutes but the audition times should run close to the published schedule. (TIMES MAY VARY drastically if multiple students that have registered do not attend the auditions. For this reason, students DO NOT need to leave campus once they have registered.)
- The runner will match the number on the name tag with the number on your audition card.

## SCALE/SIGHTREADINGROOM (NON-PERCUSSION)

- DO NOT SPEAK WHILE YOU ARE IN THE AUDITION ROOMS.
- All communication will be between the runner and student.
- No music or scale sheets are allowed in the scale room. You may leave any items with the student runner in the hall.
- The student will begin playing the scales when they receive a signal from the runner.
- Students should perform scales according to the following written order:
  - C, F, Bb, Eb, Ab, Db, Gb, B, E, A, D, G. A scale order sheet will be provided on the stand in the audition room.
- Start time with the scales. MS students will have 4 minutes to complete their scales. The judge will inform the student when the time is up.
- Students that do not pass the required number of scales will be notified by a judge that their audition is over and the student will not progress to the second room. High school students must pass 7 pairs of major scales and their associated arpeggios. Middle school students must pass 5 pairs of major scales and their associated arpeggios.
- If the student passes the scale requirement, they will then sight read in the same room.
