Hello All,

We hope you're all enjoying a wonderful start to our summer break from school and that you are taking advantage of the opportunity to spend more time with family and friends. Below are just a few reminders about our band obligations for June, as well as a few other useful bits of information.

- 1. Bibber, Shoe, & Glove Orders:** The online store closes in one week, Monday, June 10<sup>th</sup>. ALL bibbers, shoe, and glove orders for 2019 will be placed and paid for via this [online store](#). Once the store has closed, orders will be shipped to the high school and sorted for pick up. If you have forgotten your sizes, visit our [blog](#) to find your information. Note that glove sizes do not appear on this list. Use your best judgment on gloves. \*Please also note when ordering gloves that there are two options. Either are acceptable, but they must be BLACK. Here is the link:

- 2. June Membership Fee Coming Up:** Our first scheduled band fee installment is due Friday, June 7<sup>th</sup> from all high school band members. Fees are due the first Friday of the month from June – September. Payments **can be made online** through the school's e-pay program. There are directions on how to make online payments on our website at [www.theprideofsouthside.com/fees](http://www.theprideofsouthside.com/fees). *\*\*Be sure to leave a message describing in detail what you are paying towards and for whom. E.g. (Alex Hamilton – June Band Fee, or Abigail Adams – Auxiliary Uniform)*
- 3. Auxiliary Uniform Deposit:** Auxiliary members, please remember that the initial uniform deposit of \$50 is due Monday, June 3<sup>rd</sup>. Payments may be made online (see above) or mailed to the school.
- 4. Shop Amazon & Support The PRIDE:** If you, or anyone you know shops on [Amazon](#), then please, please, PLEASE go to their website via our Amazon Smile link!!! That's is, just get to their website from ours and Amazon will send a percentage of the sale from your order to The PRIDE! It doesn't cost you 1 penny!! Look for the button "Amazon" on our website, or click one of their many banners on our site. You can go directly to Amazon Smile and select The PRIDE Music Association manually. But please, tell your friends and family about this fantastic opportunity to help support our kids!

## **Band Camp Prep**

- EVERY SINGLE MEMBER needs to bring a large, wide-mouthed water jug to every rehearsal! It should have the student's name cleared labeled on it, and it should go home to be washed daily.
- Be sure to get outside and acclimatize to the Alabama summer BEFORE camp gets here! Get up, get out, get active! Parents, we need your help on this!

Have a great summer!
