- 1. HS Band Class Sign Ups:** Normally, all current high school students and upcoming freshmen are assessed by the directors and placed into one of our two band classes (Symphonic Band 6th, or Wind Ensemble 7th); however, this was not able to happen this year due to school closing. So, to be as fair as possible, here is how we will proceed for now: **all upcoming freshmen should register for Symphonic Band, all current high school students should register for the class they were assigned this year.** ***READ THIS: The directors will assess everyone for class placements during band camp before school and will adjust schedules accordingly*** The important thing is that you register for band. A reminder, all HS band students are automatically in the 8th period band class.
- 2. 2020-2021 Letter of Intent:** The intent form is something the directors need everyone to fill out to give us an idea of how to plan for the fall. THIS DOES NOT REGISTER YOU FOR BAND. Upcoming freshmen should also fill out this form as well as any current 7th grader who is interested in being an 8th grade alternate with the marching band. If you have issues with the link, please email a director. The form is online at <https://forms.gle/fp9HKmoyZA4AR8sV8>
- 3. Other Questions:** The directors are still working on procedures for working out auditions, leadership interviews, and the awards banquet. We will send this information out as soon as it is available.
