Important Info

- There WILL be concessions for sale. After the national & the band has been seated as a group in the stadium, students may visit concessions if they choose.
- DO NOT enter or exit the stadium during a performance.
- NO CHECK OUTS FOR THIS PERFORMANCE. Following the final performance, all students will load the bus and travel home. Check outs will slow this process down. We are not un-loading at the band room. This policy is to get every student home as quickly as possible.
- Have fun! Be professional. Go BANDS GO!!!!
