ParentSquare Invitation

May 23, 2025

Read this information on our blog at
www.theprideofsouthside.com/blog

To All Southside Band Members & Families:

Etowah County Schools will be moving to ParentSquare for the 2026 school year. This means that Remind will no longer be accessible as of July 1, 2025, and ParentSquare will be the application for teacher/parent and school communication starting July 1, 2025.

We have created a new group which will replace the 2025/26 Remind group that many of you have signed up for. ***Click or tap here for a direct link.***

We highly encourage you to download the app. You'll notice a few extra features from what we're all used to. Our plan is to continue to use this app as we have been Remind.

Looking forward to a fantastic year with all of you!

Go Panthers!
Best regards,
Mr. Weaver
