Important Information

First Week: Thank you to everyone for a GREAT start to the year with a very successful band camp and first week of school. Just a couple of things to consider, all students need an instrument in good working order, and a labeled case. Any student using a school-owned instrument at any point through the year owes a \$50 rental fee which is due this week.

Uniforms: As we approach our first performance on the 25th, please review the uniform code found in our handbook (pg.16). Students in breach of the uniform code will not be allowed to perform resulting in a zero grade. Some highlights as a reminder: only natural hair colors are allowed and hair is not allowed to touch the collar of the jacket (aux. instructors will select the hairstyles for their groups); no piercings other than stud earrings are allowed, black, calf-length socks are required; bibbers must fit properly and not pool at the ankles. Ill-fitting, dirty, or wrinkled uniforms will not be allowed to perform. ****Members will bring their bibbers and shoes to this Thursday’s rehearsal to have their pant lengths inspected.**
