Important Information

Band Camp: Thank you to EVERYONE for an absolutely AMAZING band camp! We accomplished our goals and had a lot of fun together. We are very impressed with the level of dedication that the students have shown. Keep it up! A special thank you to all of our parent volunteers who kept everything running smoothly.

Pre-Semester Rehearsals: We have scheduled two post-camp/pre-school night block rehearsals to be sure that students retain what they learned at band camp. Unfortunately, these were not put onto the calendar back in the spring – my apologies! Any prior engagements will not be counted as unexcused absences due to the late notice; however, we ask that everyone use the honor system and make every effort to attend.

SAF Fall-Media Guide Pictures: We now have a date for pictures – Tuesday August 8 am at Barney Hood Stadium. A group shot and section pictures will be taken for the fall media guide. Also, this is when seniors will take their individual shots for their banners to be hung in the stadium. The photographer will have information regarding senior banners such as costs and payment options; - the band does not handle these.

- Students will report in “halves” (already wearing bibbers & shoes)
- Jackets will be distributed at the stadium
- Bring water jugs to help beat the heat – we want to move *FAST!*
- No gloves
- No equipment will be needed; except flags, sousaphones, and drums

Bibbers & Shoes: Any student who does not have their bibbers and shoes *must be fitted* at this Thursday’s rehearsal.
