Wednesday, February 28, 2018

Read this information on our blog at www.shs-band.com/blog

To all Wind Ensemble Members & Parents,

The Southside Community Center has asked for the Wind Ensemble to perform for our local senior citizens group. This is a wonderful chance for our students to become more engaged in our community and have the opportunity to talk to and learn from our elders. This is going to be a very special concert. The senior citizens are so looking forward to this event!

This performance will happen during the school day on Wednesday, February 28th. Students will be required to check into 1st period and stay on their normal schedule until they are called to the band room. Students will not miss much of class, and they will not be considered absent as long as they have checked into school.

Please see our schedule below.
